Creativeness and Enjoyment

The school year is scattered with a wide variety of FHA activities. Making Homecoming a little more bright, distributing Christmas gifts to others less fortunate, and sponsoring a stimulating spring dance are among the ingredients that make up our local chapter.

We the members of the 1973 Golden Warrior staff feel the people of this organization are truly an asset to our school, community, and our nation. Because of this, we are proud to dedicate this annual to the Sanger chapter of Future Homemakers of America.

Principal's Message

Dear Students.

Never before have I enjoyed my work as tremendously as I have at Sanger High. This is due largely to the students and faculty of our school. You have been wonderful, and I sincerely appreciate it.

It is a real pleasure to be a part of your school and community and it is my goal for every student to be recognized as a part of our school.

I should like to wish each student a great measure of success and happiness in life.

Sincerely,

Bynum Smith
